

Olivia Krol

Hi, my name is Olivia Krol and I will be starting my sophomore year at Saint Anselm College in the fall. I am majoring in Psychology, and hope to work with children after I graduate.

I have lived in North Reading my entire life. In high school I played Volleyball all four years, as well participating in the high school's drama club.

This will be second year as a counselor at Kid Connection. I love working children and cannot wait to have another fun-filled summer with all the wonderful kids at the camp!
